

## **Chaffey College Photo Show**

Every semester The Chaffey College Photography Department stages a photography exhibition. The exhibition is not only a contest for students but a showcase of the quality of artwork being produced by the Photography Department. The show is juried by faculty, staff and artists from within and without Chaffey College.

As a current photography student, you are required to submit a minimum of one image to the photography show that will be held toward the end of the semester. You will be notified of the turn in date as it is released.
